

SEASON- LONG SULFUR

Fast Dispersion and Activation with Sulfur and Humic Acid

- 85% elemental sulfur + 4% humic acid packed into a high-quality homogenous pastille
- Increase porosity and soil structure with humic carbon
- Enhance nutrient use efficiency and provide soil sulfur
- Promotes protein and oil content

This is for informational purposes only and does not replace any language or instructions on the label - Always read and follow the pesticide label prior to application. WILBUR-ELLIS logo, TILL-IT, and TILL-IT logo are registered trademarks and WIRED is a trademark of Wilbur-Ellis Company LLC. K-107749

Sulfur needs are increasing every year as deposits from energy production are cleaned up. That means your crop needs are increasing, too, every year and all season long. **TILL-IT® WIRED™ Sulfur Max** provides sulfur and enhances the rhizosphere at the same time with extracted, available humic acid.
